

“AUDIO” magazine published a very good review of our floorstanding speakers Platinum F-120 v.3 (06-2018)

**Summary**

*“A spectacular and elegant floorstanding speaker, exemplarily carefully designed and made - bravo.*

*Entertaining and outstanding. The earthquake and fireworks. The springy bass and sparkling high frequencies will make any recording more attractive. Generations dreamt about such a sound in the pre-audiophile times and many is seeking it today.”*
